

OLATUNJI AYOBAMI

Frontend Developer (ReactJS, NextJS)

SUMMARY

A FrontEnd developer with 5 years+ development and production experience with HTML, CSS, Javascript, ReactJS and the technology built around it like React, Webpack, Enzyme, Redux, and Flux. I also have successfully used these technologies in building some real-world projects which can be found in my GitHub repositories and my portfolio. I love to convert designs into quality and well optimized code. I also like to collaborate with others to solve problems and work together as a team. I am also a Winner at the Chainlink Spring 2023 Hackathon 🏆
